Dear Parent/Carer

Due to the ongoing transport situation the school needs to collect as much information as possible to aid the school in supporting the pupils transport in September, we need an actual figure (or as close as) of the number of new or existing children who were planning on using this service from September, those that were intending on using the paid Arriva bus service between Perton and Codsall High School for morning and afternoon journeys. Please follow this link to help us collect this information.
