Dear Parents and Carers,

As you may be aware, next week, week commencing 8th May, sees the beginning of the Y6 national SATs. We would like to congratulate Year 6 for the commitment and effort they have put into their studies and wish them all the best in their endeavours.

During SATs week, as we have done during the mock SATs weeks, we will reconfigure part of the morning timetable for the rest of the school who will be learning all about the monarchy and the coronation as well as preparing items for our street party style lunch that we will host on the final day of SATs which is Friday 12th May. This will be an opportunity to reflect on the historic events of the previous few days and to come together to mark a new era for our country and our own place in history. In the week prior to the coronation, we will have an interform quiz and we will begin the planting of the Coronation Orchard in an area we have earmarked on the field. This will be tended by members of ARC club who are working hard to improve our school environment for the benefit of all.

In addition, the local parish council have kindly delivered mementos of this occasion to school and we shall be handing those out this week to all students.

We hope that you enjoy the bank holiday weekend and we look forward to updating you on our social media sites of all the events in school over the coming week.
