

Dear parents and Carers,

We hope this letter finds you in good health and high spirits. We are excited to inform you about an upcoming educational trip to the National Space Centre in Leicester which promises to be an enriching and enjoyable experience for your child.

The National Space Centre is a fantastic opportunity for our Year 5 students to explore the wonders of space and science. It provides an immersive and interactive experience that will ignite their curiosity and passion for learning.

During the visit, the students will have the chance to engage in a variety of activities and exhibits related to space exploration, astronomy, and science. They will also participate in educational presentation in the Sir Patrick Moore Planetarium; *'A journey through space'*.

Please ensure that your child wears their school uniform for this trip. They should also bring a packed lunch and a refillable water bottle. Additionally, we recommend that they have a small backpack to carry their belongings.

We understand that you may have questions or concerns about this trip. If you do, please feel free to reach out to me at my email address jmc@sslp.uk and we will be happy to provide you with more information.

Thank you for your support in enhancing our students' educational journeys. We look forward to a day filled with exploration, learning, and fun at the National Space Centre.

The cost of the visit is £23.20 per child. **If your child is eligible for pupil premium funding students will receive an automatic discount.** This includes transport, instruction, activities, equipment and insurance. To give consent and to make payment for this visit, please go to parentpay.com

On Thursday, 12th October 2023, for 5SW and 5RS and Friday, 13th October 2023, for 5JM and 5GH Departure Time: 8:45 AM (Please ensure your child arrives promptly at 8.20am)
Return Time: 3:00 PM

Yours sincerely,

Mr. J. McHale
