

Knowledge Banks

At Perton Middle School, we deliver our homework through the use of Knowledge Banks. We feel that this format develops metacognitive skills which in turn promote deeper thinking and learning. The strategies that pupils employ to complete their homework tasks improves their ability to become independent learners who are able to retain and recall information more easily. This is a skill that will be useful when preparing for future examinations.

We will be delivering two sessions to support parents/carers to assist their child through the completion of their Knowledge Bank tasks. They will be held on:

Monday 11th September at 5.30p.m for Key Stage 2

Monday 11th September at 6.30p.m for Key Stage 3

Please return the reply slip to indicate your attendance at the events.

We look forward to welcoming you then.

Yours faithfully

Mrs Shelley
Assistant Headteacher
