

Dear Parent/Carer,

On Monday 7th July we had an engaging and inspiring performance from Entrust music teachers and there will be another performance next Wednesday (16th July).

In preparation for instrumental lessons commencing as soon as possible in September, if your child is interested in playing a musical instrument with tuition during the school day from a peripatetic teacher there are two options, depending on the instrument:

For guitar lessons we have a private peripatetic teacher. Please contact us by emailing office@pms.sslp.uk. Lessons will be in small groups, lasting 20 minutes. The cost of guitar music tuition will be determined by the number of students taking part. It will be payable each month over ten months which can be paid via Parent Pay by the 26th of each month.

For all other instruments, lessons will be provided by Entrust peripatetic teachers. For these, you need to sign up and pay through their portal (<https://live.paritor.com/p/17> and please see the separate letter previously posted on our website). Once payment is received by them, they allocate a teacher for your child. Once you have signed up with Entrust, please let us know for our records and room availability for the teachers.

We look forward to hearing from you.
