

Behaviour survey

Dear Parent/Carer,

We hope this letter finds you well. At Perton Middle School, we are committed to supporting our students in every aspect of their development, including their behaviour and social-emotional growth. We are currently reviewing our behaviour policy and, in an effort, to better understand and support our students' needs, we are requesting your help by completing a brief behaviour survey.

Your feedback is invaluable in identifying areas of strength and any potential areas for improvement in our approach to managing behaviour and fostering a positive school environment.

The survey should take no more than ten minutes to complete. It will ask questions about how behaviour could be managed in school and any specific strategies or support may benefit the students in school. All responses will be kept confidential and will only be used for the purpose of improving the school's policies and processes.

Please complete the survey by 31st March, using the following link:

If you have any questions or need assistance completing the survey, please don't hesitate to contact Mrs Cadwallader at jcr@sslp.uk

Thank you for your time and support in helping us provide the best possible educational experience for your child. We appreciate your partnership in this important process.

Yours Sincerely,

Mrs Cadwallader
Assistant Headteacher
