

Expression of Interest: Peripatetic Music Lessons and Before and After School Care

Dear Parents/Carers,

We are looking to gauge interest in peripatetic music lessons that we hope to offer from September. These lessons will be provided by specialist music teachers and will take place during the school day, with each session lasting 20 minutes per week.

Students will have the opportunity to choose from a range of instruments, including keyboard, brass, woodwind, and percussion. The cost of the lessons will be confirmed once we have an idea of the level of interest, and payments will be made on a monthly basis.

If your child would be interested in taking part, please complete the reply slip below and return it by 25th March.

Thank you for your support in encouraging music education at our school. We look forward to hearing from you.

Before and After School Care

We are always looking for ways to better support our students and families. We are currently assessing how many families would be interested in before and after school provision for their child.

Before proceeding, we need to understand the level of interest among our families. This will help us determine whether this offer is feasible. Your response will greatly assist us in planning the best options for our students.

We kindly ask that you complete the attached reply slip and return it by 25th March. This will give us a clearer picture of your needs and preferences. If you would like a paper copy of this letter, please ask your child to collect one from reception.

If you have any questions or would like further information about music tuition or before and after school care, please do not hesitate to contact office@pms.sslp.uk

We appreciate your support and look forward to hearing from you.

Kind regards

**Michelle Burrington
Headteacher**
