Dear Parents and Carers,

We are delighted to have been able to offer a wide range of trips and visitors to students this year to enhance their classroom learning. We would very much like to be able to sustain this level of enrichment next academic year, but unfortunately, we have a number of outstanding payments for trips that children have participated in without payment.

At present, school is having to cover the shortfall, but this is not something we are able to manage going forward. Consequently, payment deadlines next year will be a few days before an event takes place and if payment has not been made, regrettably students will not be able to participate. When we offer enrichment activities, we price them as competitively as possible based on services available to educational institutions. We understand that there are challenges for many families, so we make concessions for our Pupil Premium students and we often facilitate payments in instalments as we aim to be as inclusive as possible. We are also very happy to discuss individual circumstances if we are made aware of any concerns as ultimately, we want all students to participate and experience these amazing opportunities.

If you are concerned that you may have any unpaid trips, please check your Parentpay account where the event will be listed and payment can still be made.

Your support in this matter is very much appreciated.
