### **KS3 Showcase Tuesday 4<sup>th</sup> March 2025**

Dear Parents and Carers,

We are very pleased to invite you to our first KS3 Showcase. This will be an informal opportunity for parents/carers and students, who are already part of our school community, to view the opportunities available at Perton Middle School in KS3 (Y7 and 8) specifically. As our Autumn term open evening is geared more towards those moving from first to middle school, we felt that, following recent conversations with parents/carers, an opportunity to see what is available after KS2 (Y5 and 6) would be welcomed.

We believe that one of the main advantages of a middle school is that we can provide more specialist teaching and facilities than most primary schools and for secondary age students, we offer a later transition to a large secondary school whilst providing the academic challenge and variety required at KS3. In fact, we believe that our direct experience and understanding of the high standards required by the end of Year 6 enables us to provide a more tailored curriculum which builds on the challenge of the KS2 curriculum avoiding repetition. We are also very proud of the pastoral and SEND support that we are able to offer which is underpinned by many outside agencies to meet the needs of our students and families.

School will host this event on Tuesday 4<sup>th</sup> March from 3:30 pm until 5:15 pm and you are welcome to drop in between those times at any point. There will be opportunities to view our facilities, chat to students and staff, look at work, see demonstrations, meet with sixth formers from Codsall High School to discuss later transitions and to have a cup of tea with us. We very much hope that you will be able to come along to share this afternoon with us.
