In the meantime, years 5, 7 and 8 have been learning all about our human rights, British values and who we ally with in school and in our wider community. There were some great discussions about human rights with years 7 and 8

A group of Year 7 students created a presentation about the week and shared it with the rest of the school during whole school assembly.

This week, our Year 5s imagined themselves in the role of the Mayor of Perton to create really thoughtful and persuasive letters about the rights of children to a free education.

SPORTING NEWS

On Wednesday, year 6 students went to Aldersley Sports Village to take part in the school sports indoor athletics competition. This included adapted track and field events. Everybody tried their very best and supported each other, as expected.

Year 6 boys' football, county cup: PMS V Five Ways School The score was 1-1 at full time and 2-1 to Perton after extra time. A great game by both sides and we look forward to competing in the next round.

Year 8 boys' football PMS V Bilbrook Middle. This was an inclusive fixture to allow some students the experience of playing a competitive game.

Year 8 girls' football: PMS V Codsall Middle. This match showed a great display of footballing skills. The final score was 4-2 to Codsall, however this does not reflect our team's possession or performance.

PE KIT

A quick reminder that after half term, all students will require studded boots and long socks, as we will be returning to the field. Long socks can be purchased from PMS reception at the same price as the school supplier.

ATTENDANCE

We often mention how important good attendance is. Perton Middle is in the top 10% of schools nationally for attendance. A huge thank you to all of our families for supporting us with this.
