

Dear Parent/Carer

After our recent round of mock testing in Year 6 and as we near ever closer to the national assessments in May, we will be making some changes to the maths classes after the Easter break that may affect your child. This is so we can address any gaps in knowledge or misconceptions the students may have and to also stretch and challenge students to improve their scaled score and overall grading. Therefore, you may find your child moves into a different group and/or has a different maths teacher. All students will be taught by a member of the core maths team (Mrs Edwards, Mr Edwards, Mr Green, Mrs Charlesworth and Mrs Cadwallader) who all have secure SATs experience and who will be able to guide the students effectively. This will only be for the three remaining weeks before the SATs tests and then classes will return to normal.

If you have any questions, please don't hesitate to contact me.

Kind regards,

Mrs S Jones
Assistant Head
