Knowledge Bank Evening

At Perton Middle School, we deliver our homework through the use of Knowledge Banks. We believe that this format develops metacognitive skills which in turn promote deeper thinking and learning. The strategies that pupils employ to complete their homework tasks improve their ability to become independent learners who are able to retain and recall information more easily. This is a skill that will be useful when preparing for future examinations.

We will be delivering two sessions to support parents/carers to assist their child through the completion of their Knowledge Bank tasks. They will be held on:

Tuesday 10th September at 6.00p.m for Key Stage 2

Tuesday 10th September at 6.30p.m for Key Stage 3

Please note there are significant changes from KS2 to KS3 so it is worth attending the Key Stage 3 session if you haven't previously.

Please log in to parentpay.com to indicate how many seats you require.

Yours sincerely
