Year 6 Humanities Cosford Visit including Blitz Workshop

Dear Parents and Carers,

We are delighted to offer year 6 the opportunity to visit Cosford Royal Air force museum on Monday 10th February 2025.

As well as looking around the museum, the children will take part in a 'Blitz workshop' where they will experience an air raid and find out what it was like to be an evacuee during World War Two. During Spring term, the children will be studying World War Two as part of their humanities curriculum so this will enhance their studies further.

The cost of the visit is £8.00 which will cover coaches and the workshop. This should be paid through Parentpay. Permission for the trip should also be given through parentpay. Payment should be made by 31st January 2025 please.

Coaches will leave and return during the school day. Uniform needs to be worn. Please provide a packed lunch and drink. There is a gift shop but any money taken on the visit will be the child's own responsibility so I would limit this to £10 maximum.

We hope your child will join us for this enjoyable and educational experience.

Yours faithfully

Mrs D. Swan

Teacher of English and Humanities
