**7 week course starting Monday 22nd April 2024. A FREE blended learning course aimed at adults interested in moving into a job in the Environmental Sector**

# BRANCH INTO NATURE

## PATHWAYS TO GREEN JOBS

During this 42hr course we explore a different career area each week, through hands-on activities, digital resources and guidance on how to progress. We cover:

- **Environmental Education (including Forest Schools)**
- **Climate change and Sustainability**
- **Regeneration**
- **Health and Wellbeing**
- **Conservation and Ecology**

There are two in-person sessions as part of this course, Both are held at Marquis Drive, Cannock Chase, WS12 4PW

- **Introduction to the course - Monday 22nd April 10am-2pm**
- **Focus on Next Steps - Monday 3rd June 10am-2pm**

The remainder of the course is to complete in your own time through weekly email packs and access to digital resources. There will be plenty of opportunity to connect with your tutors and others on the course too.

**.FREE to Staffordshire residents aged 19 or over. Places are limited. Book now!**
