Dear Parent/Carer,

Design and Technology

Your child will be studying a number of projects in Design and Technology this year, providing them the opportunity to complete studies in areas such as Resistant Materials, Textiles and Food.

In order to provide pupils with a varied and broad curriculum, we politely request a contribution of £5.00 towards the cost of materials used in each area.

Please make your contribution via Parent Pay and complete the attached reply slip if your child has any food allergies. If you require a printed copy of this letter, in order to supply food allergy information, please contact reception.

Yours sincerely,

Mrs Shercliffe
