### Online Safety

You may be aware that children and young people across the UK have been accessing and sharing content from and about an individual known as SmartSchoolBoy9. Please remind your children never to share scary or inappropriate content with their peers. If they do see something that worries them, all they need to do is ask for help from a trusted adult. They could talk to you or to us, or they may feel more comfortable talking anonymously to Childline.

If you or they are concerned about an adult's behaviour towards a child online, report them to CEOP: <https://www.ceop.police.uk/safety-centre/>. As a parent/carers, you can also contact the NSPCC helpline on 0808 800 5000.
