NEWSLETTER 07.10.22

We were delighted to welcome over 100 families to school last night for our Open Evening. We really enjoyed showing the current Y4 students and their families all the many reasons we are very Proud to be Perton.

It was wonderful to show the families our amazing facilities including our new Drama and Music suites and it was fantastic to see the young people taking part in all the activities the team here had prepared. However, the highlight of my evening was to hear our current students talk about all the many reasons they love learning at Perton Middle School. We were very proud of all of our student ambassadors who came back to school to help. You showcased our community brilliantly.

Special mention must go to our head boy and head girl who made us all very proud by giving an amazing speech to a packed hall.

If you know any current Y4 students and their families who were unable to join us last night but would like to arrange to view the school please ask them to contact Reception. We will be very happy to arrange a school tour.

Alex Dudge,
