## NEWSLETTER 14.10.22

Children's

Parliament

Later today, child MPs from across the country will be debating the biggest issues facing Britain. The main topic for today's debate will be: "How do we make the world a safer place?"

We are very proud that we have 3 students taking part

in the live event as child MPs - Leah, Kayleigh and Jess will be representing Perton Middle School.

If you would like to watch, it starts at 4:00pm and finishes at 5:30pm. You can watch it live or at a later date.

## LOCAL NEWS

### Be a councillor in South Staffordshire and make a real difference.

If you have been inspired by our child MPs, you might like to go along to the 'Be a Councillor' event on October 17th, from 6 till 8pm, at Codsall Community Hub.

For more information, [click here](#)

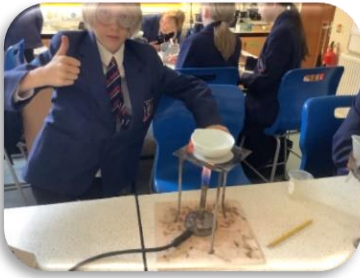

If you live in South Staffordshire, you can make your voice heard by taking part in the newly released Residents' Survey.

Have your say by completing the online survey and let the council know your views on where you live and the district as a whole.

## SPOTLIGHT ON...

### SCIENCE

Year 8 students have been using filtration & evaporation techniques to separate mixtures of soluble and insoluble materials. Insoluble sand and soluble salt were separated from water using the techniques above.

### FIRST SCHOOL ART PROJECT

Today we welcomed Year 4 pupils from Perton First School. They had a great time creating artwork based on the theme of poppies to represent feelings of hope, strength and resilience particularly in times of conflict. Some of our wonderful Key Stage 3 pupils helped out during the sessions. We look forward to welcoming our other first schools after half term.
